

ICBBE series will be held every year to make it an international platform for innovative academics and industrial experts to share views and experiences in Biomedical and Bioinformatics Engineering and related areas.

Conference Introduction

2019 6th International Conference on Biomedical and Bioinformatics Engineering (ICBBE 2019) will be held during November 13-15, 2019 in East China Normal University, Shanghai, China. ICBBE series which is sponsored by Biology and Bioinformatics Society (BBS) under Hong Kong Chemical, Biological & Environmental Engineering Society (HKCBEEES) owns the history of 5 years. Previously, ICBBE was successfully held in Okinawa, Japan in 2018, Seoul, South Korea in 2017, Taipei, Taiwan in 2016, Hong Kong in 2015, and Taipei, Taiwan in 2014. ICBBE 2019 is to bring together innovative academics and industrial experts in the field of Biomedical and Bioinformatics Engineering to a common forum. The primary goal of the conference is to promote research and developmental activities in Biomedical and Bioinformatics Engineering.
